By order M. D. Crown, No. 399.

E. Walter Simpson, Secretary.

LEST-WE-FORGET DANCE

MAY 24

The Lest-We-Forget Club will hold a Gingham Dance on the 24th. A good time is always a feature of the Lest-We-Forget dances. Music will be supplied by "The Harmonizers", 5 piece orchestra. This orchestra is one of the best in Central Alberta, and dance lovers are assured of peppy, delightful dance music. Refreshments will be served. End the 24th night by attending this dance.

UNIVERSITY SCHOOL GOLFERS SINKS TEE SHOT AT CEDAR HILL

Victoria Colonel J. H. Morrison, a pupil of University School had the privilege of joining the Hole-in-One club, Sunday, when he sank his tee shot on the 135 yard fourth hole. Morrison was playing a two ball game with R. T. Rager, when he secured his dodo. Four players who had just left the green saw the ball drop into the cup.

Jack, (son of Mr. and Mrs. W. N. Morrison), learned the game in Lacombe, having played his first game on the Lacombe Links. The Lacombe Club is proud of their protégé.

THE FLIGHT COMMANDER—

With Sir Allan Cobham, K.B.E.

A Gaumont British Film

Sir Allan Cobham, leading British

man supervised the production of

the great super-special of the air.

Hundreds of aeroplanes are seen in

realistic fights in the air. Great sea-

planes and land planes. In fact this

is said by critics to be the greatest

aeroplane picture ever made. A story

revealing the exciting adventures met

with by airmen in the protection of

their countrymen in far off lands.

British girl and prowess in the air

and on land, a betrothed girl's dilemma, an elderly man's heroic self sacrifice, and realistic fighting stand out among many other enthralling ingredients in this film of aerial adventure and action. Never before has Lacombe been so fortunate in having such a wonderful picture brought here

and this picture deserves the best possible patronage.

Monday and Tuesday

"Two Flaming Youths"

Love is a funny thing! You'll say so too when you see W. C. Fields and Chester Conklin cavorting around in "Two Flaming Youths." Loud clothes, loud hose, loud laughs, you'll get 'em all. It starts with a laugh, ends with a laugh, and sandwiches thousands in between. Twice as many laughs as you ever had.

Matinee on Saturday at 2.30 p.m. Admission will be 1c. Three prizes will be given to the holder of the lucky tickets.

The Harmonizers will play on Friday night.

FOR SALE

Wagon and Box, set breeching harness and DeLaval separator; hand washing machine. Snap. Apply James Hampson, Lacombe.

CHEVROLET

A K.O. for Okay

MISREPRESENTATION

In selling Used Cars there are three
Bad habits I resent
To lie—to price dishonestly
And to misrepresent
Such tactics never made a friend
—Square dealing wins out in the end.
Okay Karr.

FAIR dealing beats misrepresentation in any business . . . but especially in the selling of Used Cars. Because we count our customer's goodwill our most valuable asset . . . because we expect to be in business for a long time to come . . . we want our Used Car purchasers to buy with knowledge and confidence. We want you to **KNOW** what you're buying. We want you satisfied. That's why the Chevrolet O.K. Used Car Tag appears on our Used Cars. The O.K. Tag knocks out misrepresentation in the first round!

ALWAYS IN LINE WITH THE MODE

Children's Operetta

On Friday May 18th, in the Vot Theatre, the Junior Choir of St. Andrew's United Church will give an Operetta called "The Golden Whistle." This will be followed by dances by the Russian dancer, Miss Luba Palovskiy, and her trained young dancers from Ponoka. To those who are in the work of the Junior Choir, the following synopsis of the Operetta may be of interest.

"Beppo, awaking, after a nap in the woods one summer afternoon, sees before him the Little Old Woman. After talking to him, she gives him, on her departure, the Golden Whistle. He soon finds that whenever he blows it come tramping in answer to his summons all the fairy folk of the woods, as well as birds, flowers, even butterflies. They prove entertaining and delightful companions, and when the Golden Whistle is lost and stolen by the White Rabbit, they summon to Beppo's aid, the Fairy Queen herself. The Little Old Woman returning, the Fairy Queen releases her from the evil enchantment which had been over her, and throwing off the long cloak, she stands revealed, a lovely young girl, to the astonishment of all. The Queen bids Beppo take Alcea (for that is the maiden's name) by the hand and lead her among her friends, and with much merriment and rejoicing, they form a gay line of march, led by Beppo and Alcea, followed by the smallest Wild Rose bearing on a cushion the Golden Whistle."

BROOKFIELD NEWS

Mr. and Mrs. Albert Sheridan and their children, Gwen and Donald, of Lacombe, motored out to the home of Mr. and Mrs. Henry Jacobsen on Sunday, May 6.

Mr. and Mrs. Norris, Connie and Dick, visited the home of Mrs. F. A. Jacobsen on Sunday, May 6.

Miss Hazel Perkins is now visiting her sister, Mrs. Henry Jacobsen.

Mr. Melford Lutes is visiting at the Henry Jacobsen farm.

Mr. and Mrs. Harry Allan and son, of Stettler were visitors at the Gauld home over the week end.

The monthly meeting of the W.I. was held at the home of Mrs. Henry Jacobsen on Wednesday, May 9. The meeting opened by answering the roll call with "A Favorite Recipe." Mrs. John Morton was the winner with her recipe of Angel Food. There were thirteen members present and four visitors. Mrs. Swain, Mrs. England, Mrs. Dunn, and Mrs. M. L. Reid. Mrs. Davis was elected delegate to go to the annual convention which is to be held at Calgary on May 29th. Mrs. Morton offered to go with her. Mrs. John Morton gave a paper on Home Economics. Miss Elford, who was responsible for the entertainment and arranged a novel competition: Cards were laid on the table illustrating the names of popular songs to be guessed by the members. Mrs. England won the competition. A dainty lunch was served by Mrs. Henry Jacobsen and Miss Hazel Perkins and after a social chat, the ladies went home.

Mrs. George Reid and Miss Bertha Owens turned their car over on the Bickford hill. The car was badly broken about the steering wheel, wind shield and hood, but no one was hurt seriously.

The school children are glad to see Miss Molly Gauld back at school again.

FINAL SCENE IN RAILWAY DEAL ENACTED

Edmonton, May 11—A check for \$1,510,582.59 was turned over to the Provincial Treasurer at a quiet but pleasant function that took place on Thursday morning in Premier Brownlee's office, and thereby another chapter in the history of Alberta was closed forever. The money represented payment by the Canadian Pacific Railway of the purchase price of the Lacombe and Northwestern Railway, and in return therefor full possession, right and title of the latter property with all securities and capital stock of the L. & N.W. Company were delivered to representatives of the C.P.R. by the Government, which from this date ceases to have any connection with the railway in question.

Bitter Enemies

"Fruit-a-tives" the Foe of Constipation

NEW MILLS, N. B.—"I can honestly say 'Fruit-a-tives' are the best internal regulator I have ever used. Other remedies, and I have tried many, cause pain and griping, but 'Fruit-a-tives' always act easily and effectively. I most sincerely recommend them."

Mr. S. MacNair.

Made from the intensified juices of fresh fruits combined with tonics, "Fruit-a-tives" is a natural medicine. It strengthens the system to act naturally without the continuous use of laxatives—25c and 50c a box.

PROPOSED PENSIONS FOR TEACHERS

The teachers of the province are again approaching the government in their effort to secure adoption of a pensions plan.

The government has replied to this request in the past by saying that the financial obligations of a pensions scheme would have to be carefully considered. This is acknowledged, but examination of the financial end of the proposal should not unduly delay it.

The Minister of Education has intimated lately that a question of policy is involved. By this he probably means that a general pensions plan may have to be considered in relation to certain suggestions that he has in mind regarding changes in the school act.

Our understanding of this latter matter is that the changes that he has tentatively advocated relate only to rural school districts. Consequently, city teachers would not be affected. But whether the school act is eventually altered or not, this is not sufficient reason for indefinitely postponing action on a pensions scheme. A plan of pensions can be evolved that would allow for possible subsequent modifications of the school act.

The department of education should aspire to securing the most efficient and stabilized staff of teachers that can be procured for all the schools of the province, in both the city and country. An adequate pensions plan would contribute to this result. It would make for contentment and permanence in the service. It would give to teachers a feeling of security to which they are entitled. It would tend to hold good teachers in the profession, and would reward faithful service by assuring at least minimum competence in the years when they are unable to teach.

Members of governments are not always as closely in touch with public sentiment as they feel that they are. In this instance the government will be in error if it thinks that the public will not approve of pensions for teachers. The public knows that by force of necessary economies, teachers are rarely paid salaries commensurate with the importance of the valuable work that they perform, and there would be a general feeling of satisfaction if a fair pensions plan were applied in this province, which would, to some extent, compensate for the comparatively small salaries that teachers are given.

Announcement is made from Calgary and Toronto that the Dominion Securities Corporation has acquired the entire business and assets of the P. Burns Co., with headquarters at Calgary. The transfer of control, which is stated to involve some \$15,000,000 will not be accompanied by any change in the management and policy of the company. Mr. P. Burns who with his associates has built up the highly successful business which bears his name will be associated with the new controlling company as chairman of the board of directors, and Mr. John Burns will continue to direct the affairs of the company.

IN BODY design as in mechanical excellence, the new Oldsmobile represents a brilliant interpretation of the fine car ideal—

—for Oldsmobile's new bodies are Fisher bodies . . . and never has the Fisher symbol carried greater significance.

In their bold, refreshing grace is expressed the whole new spirit of our times. In their artfully executed refinements, is revealed the artist's appreciation of luxurious detail. And Oldsmobile bodies by Fisher have the inherent soundness which always appeals to those motorists who demand enduring worth. Body frames are built of selected hardwood—carefully mortised, glued, screwed and bolted. Over this are applied panels of steel—a resilient combination assuring maximum strength and freedom from drumming. And the generous use of fabric beading where metal would otherwise touch metal, prevents the development of annoying squeaks and rattles.

In itself, this achievement in fine body building is worthy of widespread approval. But combined as it is with new performance abilities, new steadiness and new stamina—it stamps the new Oldsmobile the fine car of low price—the choice of thousands of today's buyers.

General Motors' own deferred payment plan . . . GMAC . . . affords you the simplest and most economical way of buying your Oldsmobile on time.

ATTORNEY GENERAL GIVES A FINAL WARNING

Const. Collett has received orders from the Attorney General's Dept., that lotteries must cease and the law be enforced.

Lotteries are not to be permitted any more in Alberta. The attorney-general's department is again calling the attention of civic municipal authorities throughout the province to the matter, and this time is notifying them that the law must be enforced. For lotteries are strictly prohibited by the criminal code of Canada.

There has been, it is pointed out, a general disregard of the law on this score, and lottery schemes of one sort and another have been growing more numerous and more elaborate for some time past. A previous warning from the attorney-general's department was not as widely observed as was expected, and now a second notice is being given to the effect that there must be absolute and complete enforcement of the dominion law throughout Alberta. Violations will be prosecuted and convictions call for both fines and imprisonment.

The prohibition of lotteries under the criminal code include all schemes or proposals of chance, the only exception being that raffles for prizes of small value may be held at bazaars for charitable or religious purposes. Even for this one exception, however, there are a number of conditions, which, it is stated, have not been generally observed. Permission for such must be secured from the civic or municipal council, mayor, reeve or chief officer of any city, town, or municipality; the articles raffled must first have been offered for sale in the regular way, and remaining unsold at the close of the bazaar may then be disposed of in this way; and no such article may be raffled if its value exceeds \$50.

Wheels of fortune are permitted, under the amendment of the criminal code, on agricultural fair grounds during the course of the annual fair, but dice games, shell games, punch boards, and coin tables are prohibited there as elsewhere.

The printing, publishing, or advertising of lottery schemes or participating in them in any way is against the law, and buyers of tickets are liable also for prosecution. According to officials of the attorney-general's department, there is a surprising lack of enforcement of the criminal code on the entire question, and lotteries have been growing in consequence. It is now proposed to have the law enforced in Alberta, and the civic and police authorities are being notified accordingly.

SHEEP SHEARERS ADVISED TO KEEP OUT DARK HAIRS

"We are well satisfied with the Canadian wool we have been handling for the past seven years," B. C. Windler of Windler and Co., operating in London and Bradford, England, and representing the Canadian Co-operative Wool Growers in Britain and Europe, told the wool growers at Toronto, when visiting there the other day. "There is a big demand for your clip and mills who have tried it out are coming back with repeat orders."

In discussing wool with G. E. O'Brien, general manager of the Canadian Co-operative Wool Growers. Mr. Windler stated that he had one suggestion to make and one which could easily be carried out by the sheepmen themselves. In shearing the heads and legs, it is customary to remove the dark or grey hairs, particularly where the Down breeds are being handled. This amounts to practically nothing in weight, but when it is tied up with the rest of the fleece it gets mixed in so with the wool during processing in the mills that it cannot be removed. These little short dark hairs will not take the dye and, therefore, they make the wool less fit for manufacturing into the more expensive light colored yarns, blankets and cloth. Mr. O'Brien states, that in his opinion, the bulk of the dark fibre complained of in Canadian wool is traceable to this cause.

Sheepmen are strongly advised by the Canadian Co-operative Wool Growers to make sure that these tufts of hair do not get in with the fleece. As previously mentioned there is practically no loss in weight when this material is thrown away, as it should be, whereas, if included, it invariably lowers the quality of the clip and detracts from its marketability.

A Profitable Dairy Herd

YOUR profit as a dairyman is not large enough to allow "boarders" in your herd. The careful choice of high-grade animals will double your production of milk and butter.

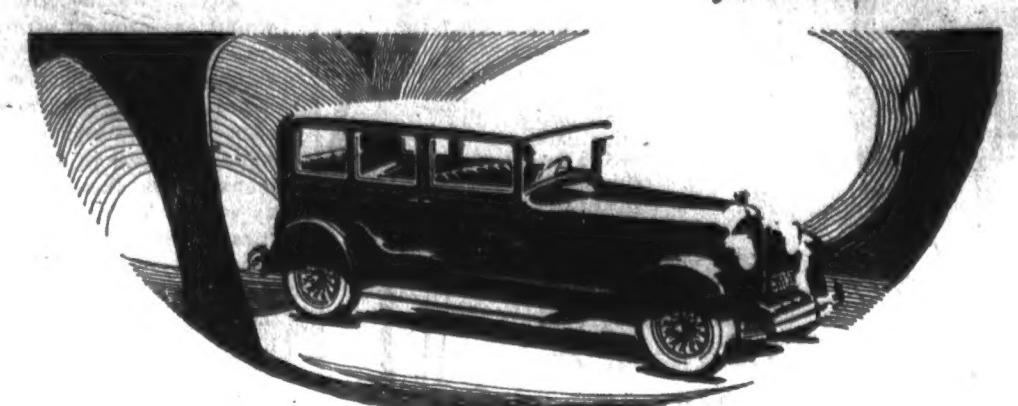

Ask for our Milk Weight Book, for keeping your milk records

Every cow is an investment, and milk cheques are the returns: each animal should pay you a profit. The pure-bred sire is the secret of success in dairying. The proceeds from the sale of milk, butter and eggs should be deposited in the bank for future needs.

Not an inch have they gained on "72"

NEW performance values came into existence when the first Chrysler was created four years ago. . . . The industry since has gone over en masse to the effort to pattern after them. But the remarkable thing is that Chrysler "72" is just as much alone today as when it was the one and only exponent of its type. . . . Alone in an actual sense—the performance sense which singles it out and sets it apart in competition of the street and road and hill as much as its brilliant beauty sets it apart in the eye of the

onlooker. These things could not be said if they were not true—and especially if the truth were not quickly provable. . . . Chrysler "72" actually begs for tests and comparisons—it is eager to be checked not only on one, but on all phases of performance, with its most ambitious emulators. . . . It has not yielded a fraction of an inch of its leadership of four years ago—but has actually widened the gap and lengthened the distance. . . . Chrysler "72" is indeed illustrious because it is beyond doubt the one great engineering, performance, and beauty value in the market today.

Illustrious New Chrysler "72"
 Prices—Two-passenger Coupe (with rumble seat), \$2265; Crown Sedan, \$2335. All prices f. o. b. Windsor, Ontario, including standard factory equipment (freight and taxes extra). . . . New Chrysler "Red-Head" Engine—designed to take full advantage of high compression gas, standard equipment on all body models of the 112 h.p. Imperial "80," also standard on the roadsters, and available at slight extra cost for other body types, of the "62" and "72."

Sedan, \$2205; Convertible Coupe (with rumble seat), \$2265; Crown Sedan, \$2335. All prices f. o. b. Windsor, Ontario, including standard factory equipment (freight and taxes extra). . . . **The Safest car of them all to drive
and Soundest of all to buy!**

McLAUGHLIN-BUICK owners enjoy the highest degree of safety it is possible to build into a motor car—because today's McLaughlin-Buick embodies every recognized safety factor, developed to a unique degree of efficiency.

The double-drop frame—pioneered by McLaughlin-Buick—provides a lower center of gravity, as well as maximum headroom, road-clearance and all-round roadability.

McLaughlin-Buick mechanical, external-contracting four-wheel brakes—the world's safest type—act instantly, release instantly, are always ready for any emergency.

The famous McLaughlin-Buick Valve-in-Head six-cylinder engine surpasses all others in flashing pick-up and tremendous power reserve—assuring constant safety in touring, in traffic and on the hills.

McLaughlin-Buick is soundly built, thoroughly dependable, unrivaled in value—the safest car of them all to drive and the soundest of all to buy.

The G. M. A. C. Deferred Payment Plan offers many advantages to buyers of McLaughlin-Buick cars.

When Better Automobiles Are Built—McLaughlin-Buick Will Build Them

The Wheat Pool Brings About A New Condition Of Affairs

Over eight months have passed since the commencement of the crop year on September 1, 1927, and ninety per cent. of the crop has been delivered. The great bulk of non-Pool wheat has left the growers' hands.

Except for those who have not had their grain threshed owing to weather conditions, and the few who held their grain since last harvest, the non-Pool farmers have little concern in the present high prices for wheat. The "Average closing prices" over on the lips of the Grain Trade should really be figured during the time the bulk is going on the market. That is, from September to April. With very little wheat in non-Pool farmers' hands how can they be benefited by high prices from now on?

Wheat Pool members, on the other hand, have a vital interest in present prices. They have seen their Pool start the crop year under a burden of tremendous wheat supplies, and a handicap of a cloud of "bearish" news. Last fall grain poured in rivers into Winnipeg, and Vancouver's facilities were taxed to the limit. Argentine had raised a tremendous crop. Europe's production was up by millions of bushels. The United States' wheat crop was heavy, and altogether, things did not look any too rosy.

The Canadian Pool had a difficult task on hand and Pool members may have a good excuse for a feeling of elation at the successful manner in which a grave situation was handled by the organization they had created. Pool members are now in a position to participate to an appreciable extent in the rising market prices.

If there was no Wheat Pool in Western Canada, what would the situation have been? The bulk of the wheat would be out of the farmers' hands and in the hands of market intermediaries who would reap a very rich profit indeed. The Wheat Pool has changed this situation in a decided fashion. Now Pool members can sit back unworried and feel assured they will get the best year's average price for the product of their labors.

NO ONE IS GOING TO EXTRACT EXTRA-VAGANT PROFITS FROM POOL WHEAT. Farmers should realize that only by the Power of Control of Volume has the Wheat Pool been able to function efficiently. This volume is assured by Signed Contracts.

Join your brother Pool members in this vital undertaking.

Bass Solo, "The Plains of Peace."
Anthem "The Radiant Morn Hath Passed Away."

LOCKHART NEWS

The children observed Arbor Day, by cleaning the school house and raking up the grounds.

Mr. John Erickson has bought Otto Vig's farm, two miles west of Bentley, and moved onto it last week.

Mrs. Wynecho has returned from California and is now on the Erickson place, which Mr. Wynecho bought some time ago, and is now equipping a modern fur farm.

Mr. Steele has given up his well drilling till after seeding. He is down 250 ft., but no water yet.

Roy Weise, Grover Robson, H. E. Reed and George Beddoes took hogs to town on Friday.

Mr. Bill Edwards pulled his tractor home on Saturday.

We are very sorry to hear that little Douglas Erickson is very ill. He is under the care of Dr. Henry.

Mr. and Mrs. Weise were in Bentley on Tuesday.

Mr. DeCoursey, the Sun Life agent of Rimbey was canvassing this district last week.

Mr. J. H. Dameron and Russell Garries have been trying to persuade some of the men in the valley that they need new cars.

The Lockhart W.I. have been invited to visit the Centre View W.I. in June.

The Junior U.F.A. will hold their regular meeting next Saturday, 19th.

CANADIAN JUNIOR COLLEGE

Mrs. Fred Hanson, of Edmonton, has been visiting her son and daughter here at the school over the week end.

Mr. Adolph Bernhard, with three of the young men of the school visited the Bentley church on Sabbath.

We were glad to have Pastor Rusker speak to us in Chapel on Friday morning and again on Friday evening.

Miss Margaret Morrison, of Lacombe, is taking some special commercial work with Miss McCarty.

On Monday morning, immediately after chapel, forty-five students made application to take provincial examinations.

The Misses Wilma and Florence McCarty have returned to school after spending the week end at their home near Stettler.

Work on the new school building is still progressing nicely. The concrete forms have been removed and the second storey is going up.

Messrs. Astkford and Sharnan have placed a new Boat on Barnett Lake. We hope they will be kind enough to give us a ride occasionally.

Mr. Neithert, who is connected with the branch Publishing House at Winnipeg, gave a very stirring address in the Chapel at the Sabbath Service.

On inquiry of Mr. Guy Sharman, sion, he declares he is going to be sick. That is no surprise, however, as the spring "flu" has been interfering considerably with school work for the past few days, but all now seem to be doing nicely and most of the victims will soon be back in school again.

The recital given in the College Chapel on Saturday evening, the 12th, by a number of music students, was, to those who were not critically disposed, at least, an enjoyable affair. The program presented was an interesting and varied one, each department—piano, voice and violin—being generously represented. There was some quite effective playing and singing, in which several of the students displayed marked musical ability. While it would be invidious to single out any one performer for special praise, mention should be made of the very praiseworthy ensemble effect of the three students in the violin department, whose rendering of Dancels's "Moderato" Op. 99, for three violins and piano, was most enjoyable. The piano part of this number was sympathetically played by Prof. Skeels, who, as violin instructor at the College, was responsible for its preparation. Those who appeared in vocal numbers found in Miss Marian Harder, assistant piano teacher, a careful, painstaking and altogether trustworthy accompanist.

AT THE COSY

Friday Night
Friday and Saturday

Tom Mix, the king of cowboys and the Wonder Horse, Tony, in a Western story that is different, "Horsemen of the Plains." You have seen Tom many times before, but you can't say you've really seen him at his best, until you watch him ride to victory in this gripping story of the Great West. Also 2 reel comedy "Wine and Bearded Ladies" and News.

Cherry Matinee, Sat. at 2:30.

Clive Saturday Night May 19th
Rex Beach's famous story "Padlocked," starring Lois Moran, Louise Dresser and Noah Berry. Also 2 reel comedy, the Jelly fish.

On account of playing Ben Hur 4 days, Wed., Thurs., Fri., and Sat., and Matinee, Saturday at 2:30, there will be no show at the Cosy, Monday and Tuesday.

Next Wed., Thurs., Fri., Sat., May 23rd, 24th, 25th, 26th
THE GREATEST PICTURE OF ALL TIMES

May McAvoy—Ramon Navarro

in

"BEN HUR"

You will gasp at the Great Circus! You will marvel at the Chariot Race! You will cheer the Sea Fight! You will tingle at the Love Romance! Against the background of mighty drama, thrill, such as you wouldn't think possible, is played the Romance of Romances—the love of Ben-Hur and Esther.

This has been hailed as the greatest picture the screen has ever seen! Stupendous in its power and magnificence, it will sweep you off your feet by its sheer drama! Four years in the making, \$4,000,000 to make it!

This picture is 13 reels and is the first super-special produced since "The Four Horsemen", which came out from 7 to 10 years ago.

This picture is played on a percentage basis with the film company, and the price is set by them.

Please arrange to come the first nights of showing or the matinee, so as to help the management accommodate the crowd Saturday night.

Matinee Prices 25c, 35c, 55c, including Tax.
Evening Prices 35c, 50c, 75c, Tax Extra.

MEADOWBROOK

Mr. and Mrs. Herbert Long motor to Castor with Mrs. Long's cousin, Mr. Leslie Cooper, on Saturday.

Ab. Riley had the misfortune Sunday evening of having his smoke house burn down, containing all his summer meat.

The Ladies' Aid met at the home of Mrs. Jim Spink, May 10. Mr. Cooper gave a demonstration on Wear Ever aluminum and served lunch to 17 ladies. Some members of the Community Club were present to see the demonstration. Our June meeting will be held at the home of Mrs. Gustafson.

Rev. Mr. Brett was very pleased to see such a large attendance at Church last Sunday, in honor of Mother's Day.

THE SALVATION ARMY

Sunday, May 27th will be observed as Self Denial Sunday at the Local Corps. Appropriate Music and Topics for the occasion.

Two addresses by the Army Founder, General Wm. Booth, will also be given by means of record and gramophone. Titles of recorded addresses, "Wanted—More Rope" and "Please, Sir, Save Me."

Meetings held on Sunday as follows, 11 a.m., 3 p.m., and 7:30 p.m. There is still time to give to the Self-Denial Fund. Have you given?

SPRUCEVILLE NEWS

In the reorganization of Sunday School the following officers were elected:

Superintendent, Mr. O. S. Young;
Asst. Supt. Rev. Miller;
Sec.-Treas., Miss Jean Southward;

Organist, Miss Mary Proudfoot;
Assist. Organist, Mrs. O. S. Young;
Bible Class Teacher, Mr. G. Flack;

Primary Teacher, Mrs. E. Stout;
Avisit. Teacher Mrs. O. H. Walker.

All young people are requested to attend Sunday School next Sunday, May 20, to elect their teachers for the Intermediate and Young People's Classes. Sunday School will be at 2 p.m. Church follows. Service over at 3:30.

School Football team journeyed to Lacombe last Thursday night. The score was 1-0 in favor of Lacombe. I. Burton has a felon on his thumb which is very painful.

Two more cars are in our district. Mr. C. Burton purchasing a Ford Touring and Mr. W. W. Burton a Chevrolet sedan.

Mrs. J. Crawford has been on the sick list for some time, and we all hope for a speedy recovery.

Mr. Miller was visiting in the district last week.

We are sorry to hear of Mrs. Heath's misfortune. A cow turned on her and bruised her quite badly. Mrs. Heath is able to be up and around now.

Mr. Kasha's new barn is being rapidly put up. It was completed.

M. D. Crown No. 399

Notice is hereby given that if all arrears of taxes imposed in 1927 in respect of any parcel of land situated within this municipality are not paid on or before the first day of July next, such land will be dealt with under the provisions of the Tax Recovery Act, 1922, with a view to obtaining Certificate of Title in the name of the Municipality, in respect of such parcel.

E. Walter Simpson,
Sec.-Treas.
Lacombe, Alberta, May 14, 1928.

P. W. PRATT'S NEW SHOWROOMS

P. W. Pratt has now completed his new building on the corner of Barnett Avenue and Dolmage street, and Lacombe can boast one of the most complete auto showrooms in the Province. The building is built on a high corner where the two streets meet, is of brick construction, and practically fireproof. The front on the avenue is occupied by a showroom and offices. The showroom is finished in white, and the lighting system installed will make the corner most attractive at night and show the cars up to advantage. He also has installed a gasoline tank on the corner. The building will be used for car sales, and will house the Chevrolet and McLaughlin Buick, for which Mr. Pratt is dealer for this district. The garage on Dolmage St. will be used entirely for service, and will be under the direct management of Mr. Pratt and staff of competent mechanics.

DEGRADATION OF WHEAT STANDARDS

The best wheat in the world is produced by the soil and climate of Western Canada. Carelessness in farming methods and the encroachment of weeds have tended to reduce the grades of western wheat and this degrading will continue with serious effects upon the reputation of the west's wheat unless the farmers themselves adopt measures to stop it.

An old tale is told of a European municipality where the annual taxes were paid in wine. The growers brought their wine to a common vat into which they poured it. One man said to himself that if he poured water into the vat it would not be noticed amongst so much wine. But when the payments were completed, the municipality found that the vat contained nothing except water.

The fable has its application to this province. The individual farmer may say that if he does not exercise care in his farming, if he allows weeds to grow and spread in his land and uses pure quality of seed, he will be able to do pretty well anyway, and his comparatively small quantity of wheat will not much affect the general standard. But when many farmers act with a similar slipshod disregard for the reputation of Alberta wheat the total effect will be highly damaging.

The pure seed authorities of the province have taken this situation in hand and are vigorously endeavoring to induce the wheat growers to adopt more permanently successful methods of production. These efforts are certain to have a good influence. What is most needed is for the farmers themselves to realize the importance of stemming the prevailing tendency to a lower standard of wheat production.

tion, with the inevitable financial loss that this will eventually incur.

WHAT IS WRONG?

Both the Department of Education and the Calgary School Board have decided to conduct investigations into public and high school curricula. This may be regarded as an evidence that all is not well with the Alberta school system. Complaints have been loud and numerous to the effect that the course of studies prescribed is overcrowded and running to frills, and the system of examinations in vogue has not escaped wide spread criticism, as the recent annual convention of the U.F.A. in Calgary testified.

The A.T.A. Magazine, the official organ of the Alberta Teachers' Alliance, has taken up these matters in its current issue. It declares the teaching profession must point the way to reform in the curricula. It admits that public sentiment is growing rapidly that something is wrong with the educational system, and that a certain type of politician, by no means few in number, are endeavoring to divert the stream of finance into other channels, urging as an excuse that education is too costly for the Province.

Proceeding to analyze the situation, the magazine continues: "Something is wrong, either with educational standards or examinations, is the cardinal inference drawn from, if not directly stated and reiterated in the writings and speeches of outstanding men and women in educational affairs. As never before people are asking, 'Are we getting value for our money?' But nobody really seems to be able to say convincingly just what is wrong, or just how much or how little waste there is in education. Others ask 'Are we not confusing quality of intellectual efficiency or capacity with equality of educational opportunity?'"

"Are our methods of intellectual guidance as efficient as they might be, if not, could not many of the defects of present day systems of education be remedied by improved methods? But who knows? The teaching body certainly should know in the fullest positive sense of the word, knowledge being a comparative term. But do we? Have we been taking too much for granted, merely because we have been following to closely along the lines of our predecessors in the classroom, and assuming that efficiency in driving home facts in the best possible way covers the whole field of education? Is acting merely on the assumption that educated mediocrity is superior to ignorant mediocrity focusing the educational situation right ly, safe although it may be?"

G. T. Jackson last week purchased the Burke Cottage at Gull Lake, a most desirable summer home.

David Hay has purchased a cottage at Gull Lake from the Boyd estate, one of the largest and best equipped homes on the beach.

The Chisholm Agencies last week sold the east half of Sec. 5, tp. 40, r. 27, to Walter J. Barnes, of Lacombe, the price being \$40 per acre cash. There is a good demand for farms in the district this spring.

Town of Lacombe

Won by a Nose

Although leading by 150 miles in the race of six passenger liners to open the St. Lawrence 1928 season, the Cunarder Aurania had to anchor 60 miles north of Quebec due to ice and darkness. By morning other liners had caught up and the Cunarder won only by a few minutes. Here is Capt. G. W. Nelson, O.B.E., R.N.R., skipper of the Aurania, holding the gold headed cane presented him by the Quebec Harbor Commission in honor of the liner's victory on April 22.

P. W. Pratt had his filling station twist. Lizzy started with alacrity, tank on Dolmage street wrecked one her owner narrowly escaping being run over, and brought up in high a festive Ford, one of those self starting against the gas pump, breaking it offers, parked the car a short distance from the tank. When he was ready to leave town, he walk boldly up and grabbed the crank and gave a hearty
